Day 2: Dubai, United Arab Emirates

Dubai Snapshot Experience

DepartureTimes: **10:30, 14:30**

Duration: **2.5 hrs.**

The tour will depart from Deira, and return to Deira next to the airport. Our first photo stop will be the downtown area at the bottom of the Burj Khalifa and the musical fountains.

The tour will give you a quick taste of the extravaganza of the city and its modernism. We will continue towards the palm, an island shaped like a palm tree with panoramic views of the Arabian gulf. Located on the Palm are several luxury hotels that we will pass. Our destination will be the Atlantis hotel where we will take some beautiful photos. We'll then head back to discover the Jumairah area with the famous Iconic Burj Al Arab, for another photo stop.

We will continue our tour down Jumairah road, discovering the famous Jumairah mosque, then the Dubai museum, and Old Dubai to see the traditional Abra boats crossing the creek before we return to our departure point.
